Man: I moved here two years ago and I love it. Living in a village is great. It's quiet and the air is fresh. I wouldn't like to move, even to a small town. My friends who live in big cities would also like to live here.

Zadanie 7.

Woman: My friends love watching horror films, but I don't. For me they are too scary. I prefer fantasy films. I think they are really interesting. Last time when I was at the cinema I watched a comedy, but it was a waste of time. It wasn't funny at all.
